SUBJECT : Summary of partial vetting: WIRSICH

1. Reference is made to your request of 3 August for vetting of Kuno WIRSICH.

2. Washington has no information. London has not yet replied, doubtless owing to difficulty in investigating the refugee friends of WIRSICH who are now in the U.K. Berlin has confirmed the existence of the firm. Conditions are so chaotic, it took one day's work to do that. They are continuing to investigate.

3. We shall inform you of London's and Berlin's replies as soon as they are received.
